By car

Please note that most navigation systems either do not recognize our address or guide you to an incorrect building.

To make sure that you end up on the right car park, we recommend that you set your navigation to **U Parkhotel, De Veldmaat 8, 7522 NM Enschede**. You can park there for free and charging points for electric vehicles are also available. When walking further along De Veldmaat past the hotel's main entrance, you will reach a big square. Turn right and you will see the High Tech Factory in front of you. If you are coming from the A35 motorway, make sure you take the exit "Universiteit". Some older navigation systems may cause you to miss this exit.
